

# CHRISTIAN ACADEMY

A Mind for Truth and a Heart for God

PRESCHOOL TO 12TH GRADE

## Christian Academy offers an education with a difference.

Christian Academy is a private Christian school in Honolulu which offers classes from Preschool through High School. Founded in 1981 as a ministry of First Assembly of God, we seek students who will benefit from our varied programs designed to encourage maturity in spirit, mind, and body. Christian Academy's biblical role is to work in conjunction with the home to mold students to be Christ-like. We provide a well-balanced student development program in a nurturing environment with structured routines, including a balance of opportunities for the development of the whole child from a biblical perspective.

## Philosophy of Education

From Preschool to 12th grade, we employ the Principle Approach: America's historic Christian method of Biblical reasoning that makes the truth of God's character and His Word the basis of every subject. We provide a well-balanced student development program in a nurturing environment with structured routines, including a balance of opportunities for the development of the whole child from a biblical perspective.
